

4.15.

4.15. Recognition for exemplary contributions of the staff and the students

The College Staff and students interacted with the community and made efforts to contribute to the society. In this attempt we sensitized villagers about HIV/AIDS, health and hygiene and various other diseases. Social outreach activities in Naura village and nearby slum areas like Flash mob activity, rallies and distribution of stationary/nutritional items with the objective of supporting education and promoting social responsibility were carried out.

The reports on the above mentioned activities are as follows:

1. Flash Mob activity

Report:

In order to aware local people and societies of Naura village, Red Ribbon Club of Atal Bihari Vajpayee Govt. College Naura organized a student flash mob activity. About 80 students participated in the activity and interacted with the locals. Students' loud and enthusiastic messages gave a clear meaning to the surrounding people about HIV/AIDS. Students coordinated very well with each other and stirred many minds from this activity.

Glimpse of the event:

2. Student procession activity

Report:

In order to aware local people and societies of Naura village, Red Ribbon Club of Atal Bihari Vajpayee Govt. College Naura took a student procession of about 80 students till Naura chowk. Students' loud and enthusiastic sloganeering gave a clear message to the surrounding people about HIV/AIDS. Students coordinated very well with each other and inspired many minds from this activity.

Glimpse of the event:

3. Distribution of Stationary goods/fruits

Report:

The College Staff interacted with the people of nearby slum areas and distributed stationary/nutritional items with the objective of supporting education and promoting social responsibility. The staff members encouraged the parents to send their children to school daily and let them study. They also motivated the children to study well and take a good care of their health.
